The German American Society of Portland
is proud to offer

Zauberwelt: A Magical World of German Language Immersion Experiences

Zaubertag: Our Day Camp is offered at our Southeast Portland location. Have your child spend his or her days cooking, crafting, dancing and singing in German. The camp will run 9 a.m. to 2 p.m. Monday through Thursday, June 22-25, June 29 -July 2 and July 6-9. Extended care available.

Zauberwald: Our week-long residential camp gives campers an intensive language education in the beautiful Columbia River Gorge. Teachers and counselors help children in grades 2-10 begin their language study or advance their skills. Hearing German spoken throughout each day while being challenged to speak during activities and mealtimes makes this a great way to learn a foreign language.
