

# WILLKOMMEN!

Welcome to the German Saturday School of Portland. To help us better evaluate your student's needs and where best to place him/her, please review the following questions.

Does anyone in the family or circle of friends speak German? How fluently?

Can anyone close to you help with language questions during the week? (If not, no problem!)

Homework: Can you supervise homework, or do you prefer no homework be assigned?

How fluent do you hope your student will be by the end of the school year? (speak fluently, know some basics, know songs, cultural awareness, etc.)

Why is German important for your student? (heritage, travel plans, school requirements, etc.)

We all start somewhere! Check all that apply for your student:
